

The dog law needs changing Rebecca white was handed a petition with over 33,000 signatures, nothing has been done.

Puppy farming and kennel licencing need to be checked up on, as they are using it for farming puppies. This person is the 2nd worst puppy farmer in Hobart, Followed by

[REDACTED]

Nobody so far has the nerve to change the law, politicians keep brushing the problem aside. We fought to change the Cat Law, now we want the dog law changed urgently, I have so much proof of puppy farming, it would surprise you
