Privacy Statement

1. Purpose of Collection

The information collected by this application is for the purpose of the Authorised Officer to assess, in accordance with Section 104 of the *Biosecurity Act 2019*, the applicant's request for Individual Permit to deal with biosecurity matter. This information may also be used for other purposes permitted by the *Biosecurity Act 2019*.

2. Disclosure of Personal Information

Personal information will be collected primarily for the administration of this application process, but may be disclosed to courts and other agencies authorised to collect it. Basic personal information may also be disclosed to other public sector bodies where necessary for the efficient storage and use of the information.

3. Result of Failure to Provide Personal Information

If you do not provide this personal information your application for Individual Permit may not be processed.

4. Accessing Personal Information

On request, personal information collected by the Department of Natural Resources and Environment Tasmania may be accessed by the individual to whom it relates. A fee may be charged for this service.
