Only a single earmark, body brand and body tattoo can be owned per person. The *Biosecurity (Livestock Traceability) Regulations 2024* and *Tasmanian Standards for the Identification of Pigs* requires that all pigs are body tattooed or tagged with an accredited NLIS device before movement.

***Privacy Statement***

Personal information will be collected from you for the purpose of applying to register an earmark, body brand or body tattoo. This information will be used by Department of Natural Resources and Environment Tasmania for determining the relevant application and may be used for other purposes permitted by the *Biosecurity Act 2019.* Failure to provide this information may result in your application not being able to be processed.

Your personal information will be used for the primary purpose for which it is collected and may be disclosed to courts and other agencies authorised to collect it. Your basic personal information may also be disclosed to other public sector bodies where necessary for the efficient storage and use of the information. Personal information will be managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by the individual to whom it relates on request to NRE Tas.
