Your personal information will be collected for the purpose of managing Tasmania's living marine resources under the Living Marine Resources Management Act 1995 (the LMRMA) and the Fishing (Licence Ownership and Interest) Registration Act 2001 (FLOIRA) and will be used by the Department for purposes permitted by these Acts. Failure to provide this information may result in your application not being processed or the service you have requested not being provided.

Your personal information will be used for the primary purpose for which it is collected and may be disclosed to certified fishing bodies to enable the provision of industry information to you. Your personal information may also be disclosed to a service provider nominated by NRE Tas to provide fishery assessments and management advice on fishery issues, this includes the Institute of Marine and Antarctic Studies (IMAS).

The LMRMA requires the Secretary NRE Tas to keep a register of authorisations and fishing certificates. A person may be allowed to obtain a copy of, or an extract from, an entry in the register. The FLOIRA requires the Registrar to keep a register of ownership and interests in fishing licences. The Registrar is to make the register available for public inspection and a person may be allowed to obtain a copy of, or an extract from, any entry in the register.

By providing the Department with your personal information, you consent to the information being used for the purposes for which it has been collected. You may access your personal information on written request to the Department, and you may be charged a fee for this service.

You may also be required on this form to provide the Department with personal information of third parties. By providing this information and signing this form, you are declaring that the third parties have read this statement and consent to their personal information being provided to the Department on their behalf, and the use and disclosure of that information by the Department accordingly.
