

Tasmanian Beef Industry (Research And Development) Trust

Project Summary 1991 - 2014

<u>Year</u>	<u>Organisation/Person Funded</u>	<u>Title of Project</u>	<u>Amount Funded</u>
1991	University of Tasmania	Control of intestinal parasitic roundworms in cattle and sheep by a nematode trapping fungus	5,000.00
1991	University of Tasmania	Use of automatic weighing and identification systems for free ranging cattle in Tasmania	9,735.00
1991	Department of Primary Industries	Integration of Australian & US research on microbial control of insect pests	500.00
1991	Department of Primary Industries	Beef Industry Survey	7,500.00
1992	CALM Services	Maximising producer returns through sale by description & group marketing	8,250.00
1992	Department of Primary Industries, Forestry & Environment	Pasture species and fertiliser for sandy, acid soils	2,432.00
1992	DPIF&E	An expert system for pest control in pastures	3,200.00
1992	University of Tasmania	Control of intestinal parasitic roundworms in cattle and sheep by a nematode trapping fungus	3,000.00
1992	DPIF&E	Investigation of production systems for turning off beef steers suitable for Jap Ox market between August and October	3,500.00
1993	University of Tasmania	Copper supplements for cattle	2,500.00
1993	DPIF&E	Cancer eye in cattle - pocket card	2,500.00
1993	DPIF&E	An expert system for establishing pastures by direct drilling	1,000.00
1993	Blue Ribbon Meat Product P/L	Chilled beef - product improvement	3,000.00
1993	Blue Ribbon Meat Product P/L	Out of season production of chilled beef for Japan	4,000.00
1994	TFGA Meat Council	Tasmanian Meat Industry delegation to New Zealand	5,697.00
1994	Blue Ribbon Meat Product P/L	Forward contracting and out of season beef production - New Zealand visit	3,500.00
1995	Tasmanian Beef Expo	Funding support for 1995 Tasmanian Beef Expo	1,500.00
1995	DPIF&E	Beef Manager Programme - Tasmanian Development	1,500.00
1995	T Heggarton	Tasmanian beef steer and sire productivity competition	1,250.00

1995	TFGA Meat Council	Study of the Tasmanian meat and livestock industry infrastructure	2,000.00
1995	University of Tasmania	Cocksfoot Evaluation	1,960.00
1996	Armstrong Ag. Services	Improving the profitability of beef production on Flinders Island	2,500.00
1996	TFGA Meat Council	Cattlecare 'Train-the-trainer' workshop	4,400.00
1996	DPIF	Development of on-farm Quality Assurance in Tasmania	15,000.00
1996	TFGA Meat Council	Meat Profit Day	1,500.00
1997	Meat & Livestock Australia	Assess electronic fat depth meters	5,000.00
1997	TFGA	Development of cattlecare audit delivery systems in Tasmania	12,000.00
1997	Thomas Hogg Consultants	1997 Freight equalisation scheme review submission	5,840.00
1998	Dr Graeme Stevenson	An examination of the efficiency of a locally developed garlic 'por on' drench for roundworms in cattle	3,500.00
1998	TFGA Meat Council	Promotion of Tas beef at 98/99 Taste of Tasmania	4,000.00
1999	TFGA Meat Council	Cutting edge field day	3,000.00
2000	SBA Foods	Electronic eartag trial under NLIS	10,050.00
2000	TFGA Meat Council	Tasmanian beef initiative - market research survey	5,612.00
2001	King Island Beef Producer Group Inc	King Island Beef Producer Group and SBA Foods visit to Japan co-ordinated with MLA Japan	3,000.00
2001	TFGA Meat Council	Field day - genetic and marketing issues in the beef industry	3,000.00
2002	King Island beef producers group	King Island beef profitability study	7,750.00
2002	John Bruce	Assessment of natural beef production and marketing systems in the USA	5,000.00
2002	McNab	Dairy beef scholarship to New Zealand	2,100.00
2002	D Byard & G Archer	Niche marketing of beef in Melbourne & Sydney markets	2,000.00
2002	T Perry	Travel to Beef Co-operative Research Centre at the University of New England for young beef producer studying with UTAS	1,500.00
2002	King Island beef producers group	Study tour - Investigation of organic beef production systems in Victoria	2,000.00
2004	Show Committee of Sheffield District High School	Sheffield District High School Junior Cattle Handlers Show of Tasmania Carcase Competition	2,000.00
2004	TFGA Meat Council	Attendance of producer representative to SABRC for 2004	1,500.00
2004	DPIWE	Red meat targets program - marketing study	2,500.00
2005	Show Committee of Sheffield District High School	Sheffield District High School Junior Cattle Handlers Show of Tasmania Carcase Competition	2,000.00
2005	UTAS	2006 Beef Industry Trust Scholarship	2,000.00
2006	D Byard	Wilderness Beef	8,000.00
2006	King Island beef producers group	King Island beef promotional brochure	1,500.00

2006	Show Committee of Sheffield District High School	Sheffield District High School Junior Cattle Handlers Show of Tasmania Carcase Competition	2,000.00
2007	UTAS	Funding towards initial capital for Tasmanian Beef Trust Scholarship	44,000.00
2008	Bridgewater High School (farm school)	Beef cattle, from calf to carcass	5,923.00
2009/10	Davey & Maynard	Liveweight loss in beef cattle after the autumn break	8,800.00
2013	Flinders Island Productivity Group	How to assess the benefits of treatments and supplements being offered to increase productivity	3,400.00
2014	^DPIPWE	Pilot study of prevalence of venereal diseases	9,000.00

^ Project duration 2014-2017
