

Commercial Purposes Licence

FACT SHEET AND APPLICATION FORM

If you want to possess, sell, or otherwise dispose of, the products of partly protected or of protected wildlife, then you will need to apply for a Commercial Purposes Licence. Please read this information before completing and submitting your application.

What does the licence authorise?

A Commercial Purposes Licence (CPL) is issued under Regulation 48 of the *Nature Conservation (Wildlife) Regulations 2021* pursuant to Regulation 29 for multiple species of wildlife and provides for the commercial utilisation of wildlife that have been legally taken under other permits, such as Property Protection Permits.

This licence authorises the holder to:

- possess the products of partly protected wildlife or of protected wildlife, specified on the licence; and
- sell or otherwise dispose of the products of wildlife, specified on the licence, to a person, or a class of persons, specified on the licence.

Authorised species

The species that can be possessed or sold under a CPL include:

- Bennetts wallaby
- Rufous wallaby
- Brushtail possum
- Forester kangaroo

Additional species will be assessed on a case by case basis.

Who can apply?

If the commercial purpose is for the sale of skins or fur only, the applicant is not required to hold a Game Harvester Skill Set (Game Meat Hunters and Shooters)* accreditation or equivalent.

If the commercial purpose includes the sale of game animal carcasses however, then this accreditation is required.
