**ENVIRONMENTAL MANAGEMENT AND
POLLUTION CONTROL AMENDMENT BILL 2022**

*(Brought in by the Minister for Environment, the Honourable
Roger Charles Jaensch)*

A BILL FOR

**An Act to amend the *Environmental Management and
Pollution Control Act 1994***

Be it enacted by Her Excellency the Governor of Tasmania, by
and with the advice and consent of the Legislative Council and
House of Assembly, in Parliament assembled, as follows:

1. Short title

This Act may be cited as the *Environmental
Management and Pollution Control Amendment
Act 2022*.

2. Commencement

This Act commences on the day on which this
Act receives the Royal Assent.

3. Principal Act

In this Act, the *Environmental Management and
Pollution Control Act 1994** is referred to as the
Principal Act.

*No. 44 of 1994

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 4

4. Section 3 amended (Interpretation)

Section 3(1) of the Principal Act is amended as follows:

- (a) by inserting the following definitions after the definition of *environment*:

environmental standards means environmental standards, as amended from time to time, that are made under section 96Q(1) and that are in force;

environmental standards condition means a provision, of any environmental standards, that is a provision of the kind referred to in section 96O(3)(d);

environmental standards offence provision means a provision, of any environmental standards, that is a provision of the kind referred to in section 96O(3)(c);

- (b) by inserting the following definition after the definition of *State waters*:

technical standard means a technical standard, as amended from time to time, that is made under section 96Y(1) and that is in force;

5. Section 5B amended (Environmental audit)

Section 5B(f) of the Principal Act is amended by omitting “or an environment protection policy” and substituting “, an environment protection policy, an environmental standards condition, an environmental standards offense provision or a technical standard”.

6. Section 15 amended (Ministerial statement of expectation)

Section 15 of the Principal Act is amended as follows:

- (a) by omitting from subsection (1) “by 31 March in each even-numbered year”;
- (b) by inserting the following subsections after subsection (2):

(2A) The Minister must review a ministerial statement of expectation as soon as reasonably practicable after the end of the 5-year period after it was provided to the Board under subsection (1), if the ministerial statement of expectation has not been reviewed, amended, or substituted, at any time within that period.

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 7

(2B) The Minister may review a ministerial statement of expectation at any time.

(c) by omitting from subsection (5) “issued to the Board” and substituting “provided to the Board under this section”.

7. Section 15A amended (Contents of ministerial statement of expectation)

Section 15A(2) of the Principal Act is amended by inserting before paragraph (a) the following paragraphs:

(aa) must further the objectives specified in Schedule 1; and

(ab) must specify which of, and the manner in which, the objectives specified in Schedule 1 are being furthered by the ministerial statement of expectation; and

(ac) must be consistent with the functions and powers of the Board; and

8. Section 18A inserted

After section 18 of the Principal Act, the following section is inserted in Division 1:

18A. Independence of Director

(1) The Director is authorised and required to act independently in relation to the

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 8

performance and exercise of the functions and powers of the Director and, subject to this Act and any other Act, has complete discretion in the performance and exercise of those functions and powers.

- (2) In particular, the Director is not subject to direction from anyone in relation to a decision of the Director –
- (a) to grant, renew or vary, or not to grant, renew or vary, an environmental licence, or to transfer, or refuse to transfer, an environmental licence; or
 - (b) to suspend or cancel, or not to suspend or cancel, an environmental licence; or
 - (c) to impose, or not to impose, a condition or requirement on an environmental licence; or
 - (d) to issue, amend or revoke, or not to issue, amend or revoke, an environment protection notice, an investigation notice, a remediation notice, a site management notice or a technical standard; or
 - (e) to investigate or prosecute, or not to investigate or prosecute, a person; or

 - (ii) make an amendment of environmental standards in the form of the draft of an amendment of environmental standards; or
 - (iii) revoke the relevant environmental standards –
may be viewed by members of the public, during the exhibition period, at an electronic address, and the offices of the Authority, specified in the notice; and
 - (e) that members of the public are invited to make to the Minister, within the exhibition period and in the manner specified in the notice, submissions in relation to the draft of the environmental standards, amendment or revocation, as the case may be.
- (4) A person may, within the exhibition period in relation to a draft of the environmental standards or a draft of an amendment or revocation of

environmental standards, make to the Minister a submission in relation to the draft of the environmental standards, amendment or revocation, respectively.

96S. Environmental standards, &c., not statutory rules

The following are not statutory rules for the purposes of the *Rules Publication Act 1953*:

- (a) environmental standards made under section 96Q(1);
- (b) an amendment of environmental standards under section 96Q(2);
- (c) a revocation of environmental standards under section 96Q(3).

96T. Environmental standards, &c., may be disallowed by House of Parliament, &c.

Sections 47(3), (3A), (4), (5), (6) and (7) of the *Acts Interpretation Act 1931* apply in relation to –

- (a) environmental standards made under section 96Q(1); and
- (b) an amendment of environmental standards under section 96Q(2); and

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 17

- (c) a revocation of environmental standards under section 96Q(3) –

as if the environmental standards, or the amendment or revocation of environmental standards, were regulations within the meaning of that Act.

96U. Effect of environmental standards

- (1) If the environmental standards indicate that a provision included, in accordance with section 96O(3)(a), in the environmental standards is a provision to which the Board must have regard in determining whether to –

- (a) grant an environmental licence;
or
(b) direct a planning authority, or the Commission, to refuse to grant a permit –

the Board, in making such a determination, must have regard to the provision and any related provision of the environmental standards.

- (2) If the environmental standards indicate that a provision included, in accordance with section 96O(3)(a), in the environmental standards is a provision to

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 17

which the Director must have regard in determining whether to –

- (a) grant an environmental licence; or
- (b) issue a notice under Part 5A or an environment protection notice under section 44 –

the Director, in making such a determination, must have regard to the provision and any related provision of the environmental standards.

- (3) If the environmental standards indicate that a provision included, in accordance with section 96O(3)(b), in the environmental standards is a provision to which the Board and the Director are to have regard in conducting an assessment, or making a decision, under this Act or another Act, the Board, or the Director, respectively, is to have regard to –

- (a) the provision; and
- (b) any related provisions of the environmental standards –

in conducting such an assessment, or making such a decision, under this Act or another Act.

- (4) If a provision of environmental standards is, in accordance with section 96O(3)(c),

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 17

an environmental standards offence provision, a person to whom the provision applies who contravenes the provision commits an offence.

Penalty: Fine not exceeding 100 penalty units.

- (5) If a provision of environmental standards is, in accordance with section 96O(3)(d), an environmental standards condition, the environmental standards condition may be imposed as a condition or restriction on a permit, an environmental licence, a notice under Part 5A or an environment protection notice under section 44.
- (6) An environmental standards condition that is imposed as a condition or restriction on a permit, an environmental licence, a notice under Part 5A or an environment protection notice under section 44 is taken to be revoked if the provision of the environmental standards containing the environmental standards condition is revoked.

96V. Copies of environmental standards to be made available for viewing by public

The Minister is to ensure that a copy of any environmental standards is published on a website of the Authority and made available to the public in any other

manner that the Minister considers appropriate.

96W. Review of environmental standards

The Minister must, within the 6-month period beginning on the tenth anniversary of the day on which any environmental standards came into effect, review the environmental standards to determine whether or not they should be amended or revoked.

Subdivision 2 – Technical standards

96X. Purposes, and contents, of technical standards

- (1) A technical standard may be made for the purposes of –
 - (a) environmental standards; or
 - (b) assisting in the implementation of a State Policy, environment protection policy or National Environmental Protection Measure.
- (2) A technical standard must specify the purpose, referred to in subsection (1), for which it is made.
- (3) A technical standard may contain –

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 17

- (a) a scientific method; or
 - (b) a description of a process; or
 - (c) an environmental monitoring method; or
 - (d) a data collection and management protocol; or
 - (e) a qualitative or quantitative assessment method; or
 - (f) a scientific equipment standard; or
 - (g) a pollutant or emission standard; or
 - (h) any other matter.
- (4) A technical standard may –
- (a) authorise any act, matter, or thing, that may be included in the technical standard to be from time to time determined, applied or regulated by the Board or the Director; and
 - (b) refer to an Australian Standard or an instrument, of a legislative or administrative character, made under an Act of the Commonwealth, another State or a Territory –

- (i) as the Australian Standard or instrument is in force at the time at which the reference to the Australian Standard or instrument is included in the technical standard; or
 - (ii) as the Australian Standard or instrument is amended from time to time after the Australian Standard or instrument is included in the technical standard.
- (5) The *Acts Interpretation Act 1931* applies to the interpretation of a technical standard as if it were by-laws.

96Y. Director may make technical standard

- (1) The Director, by notice, may make a technical standard.
- (2) A technical standard comes into effect –
 - (a) on the day on which notice of the technical standard appears in the *Gazette*, unless paragraph (b) applies in relation to the technical standard; or
 - (b) on a later day specified in the technical standard as the day on

*Environmental Management and Pollution Control Amendment
Act 2022
Act No. of 2022*

s. 17

which the technical standard
comes into effect.

**96Z. Amendment, revocation and expiry of
technical standard**

- (1) The Director, by notice, may amend a technical standard.
- (2) The Director, by notice, may revoke a technical standard.
- (3) An amendment or revocation of a technical standard under subsection (1) or (2) comes into effect –
 - (a) on the day on which notice of the amendment or revocation appears in the *Gazette*, unless paragraph (b) applies in relation to the revocation; or
 - (b) on a later day specified in the amendment or revocation as the day on which the amendment or revocation comes into effect.
- (4) The Director is to revoke under subsection (2) a technical standard if the environmental standard, State Policy, Environment Protection Policy, or National Environmental Protection Measure, for the purposes of which the technical standard was made, is revoked or expires.

96ZA. Technical standards, &c., are not statutory rules

The following are not a statutory rule for the purposes of the *Rules Publication Act 1953*:

- (a) a technical standard made under section 96Y(1);
- (b) an amendment of a technical standard under section 96Z(1);
- (c) a revocation of a technical standard under section 96Z(2).

96ZB. Copies of technical standards to be made available for viewing by public

The Director is to ensure that each technical standard is published on a website of the Authority and made available to the public in any other manner that the Minister considers appropriate.

18. Section 100 amended (Analysts)
