Date of issue 9 April 2021

HARNESS RACING INTEGRITY POLICY UPDATE - WHIPS

The Office of Racing Integrity advises that the Harness Racing Integrity Policy has been updated, effective 8 April 2021.

Clause 28 has been amended to include Clause 28.1 which reads:

Under race conditions a driver must always have a whip readily accessible, in the event it is required to be used for safety purposes. The whip may be carried on the sulky, in the dust sheet or by the driver.

Stewards may issue penalties for drivers who do not comply with the policy.
