

INDUSTRY NOTICE

(Harness & Thoroughbred Trainers)

Date of issue 15 July 2019

REMINDER: Stable Returns & Retirement Notifications

Stewards wish to remind all trainers of their obligations under the relevant Rules of Racing for each code to maintain accurate stable returns and provide timely retirement notifications.

Thoroughbred trainers should pay particular attention to rules AR50, AR51, AR52 & AR103.

Harness trainers should pay particular attention to rules AHHR25, AHHR 96A, AHHR96B, & AHHR119.

Stewards will be reviewing these records at stable inspections. Penalties will apply for any rule breaches relating to incorrect stable returns or failures to notify retirements within the required timeframes.
