For immediate release

Date of issue 23 February 2018

RACING VICTORIA INVESTIGATION

Prior to reports in the media today, the Office of Racing Integrity (ORI) were in contact with Racing Victoria regarding any evidence relating to Racing Victoria's current investigation, which may be relevant to any races conducted in Tasmania. Once we have received this evidence or information it will be reviewed.

As this is an ongoing investigation inter-state and may likely be subject to an investigation in Tasmania, no further comment will be made at this stage.
