Date of issue 31th December 2020

Review of Track Assessment Processes – Office of Racing Integrity

Due to the late cancellation of recent thoroughbred meetings at Mowbray and Elwick due to track safety concerns, the Office of Racing Integrity and Tasracing will be reviewing all track assessment processes currently conducted prior to race meetings. The review will focus on the timely identification of safety issues, levels of responsibility, stakeholder engagement, communication and training.

Additional expertise from larger racing jurisdictions is currently being sought to assist with the review and any additional training that may be required. During the period of review some stewarding duties will be reallocated.

Racing Integrity is committed to continual improvement and the long term sustainability of racing in Tasmania.
