
INITIAL APPLICATION FOR REGISTRATION AS A SURVEYOR IN TASMANIA

in Accordance with the *Surveyors Act 2002*

1. ELIGIBILITY

The *Surveyors Act 2002* provides for:

- Mandatory registration of surveyors intending to practise as land surveyors in Tasmania; and
- Voluntary registration of surveyors practising other disciplines (such as engineering or hydrographic surveying) who have competency accreditation recognised by a relevant surveying institution as satisfying national competency standards.

2. COMMENCEMENT

Registration is deemed to commence on receipt of a letter from the Surveyor-General confirming approval of your application and is current for the balance of that calendar year.

3. REQUIREMENT FOR ANNUAL RE-REGISTRATION

An application for annual renewal of registration should be made to the Office of the Surveyor-General no later than 31 December each year. Annual renewal through your LIST account and payment of the registration fee is the responsibility of each registered surveyor. There is provision for late registration. However, an additional fee will be applied and failure to renew by 31 March of the following year will result in removal from the Register.

4. MANDATORY REGISTRATION – LAND SURVEYORS

4.1 **If you are applying for registration as a land surveyor for the first time**, you must have the educational qualifications and practical training prescribed by the *Surveyors Regulations 2014*.

You must also complete and submit the following supporting documents with payment of \$330.00:

- ✓ Initial Application for Registration Form OSG-A/2022 (this form)
- ✓ Certificate of Competency
- ✓ Evidence of educational qualifications prescribed by the *Surveyors Regulations 2014*
- ✓ Any other relevant documentation, such as evidence of current financial membership of relevant institution/s or other qualifications that you would like to have published in the Register (optional).

4.2 **If you are already registered as a land surveyor in another State or Territory of Australia or New Zealand**, you are eligible to apply for registration as a land surveyor in Tasmania under the provisions of Mutual Recognition legislation. You must complete and submit the following supporting documents with payment of \$330.00:

- ✓ Initial Application for Registration Form OSG-A/2022 (this form)
- ✓ Mutual Recognition Statutory Declaration Form OSG-C/2022
- ✓ A letter of accreditation from the organisation that oversees registration in the jurisdiction of current registration in Australia or New Zealand
- ✓ Any other relevant documentation, such as evidence of educational qualifications and current financial membership of any relevant institution/s that you would like to have published in the Register (optional).

5. VOLUNTARY REGISTRATION – OTHER SURVEYORS

5.1 **If you are applying for registration as an engineering or hydrographic surveyor**, you must have competency accreditation that is recognised by a relevant institution as satisfying national competency standards for professional surveyors practising in your nominated area of competency. You must complete and submit the following supporting documents with payment of \$330.00:

- ✓ Initial Application for Registration Form OSG-A/2022 (this form)
- ✓ Evidence of relevant educational qualifications
- ✓ Mandatory evidence of national competency accreditation by a recognised surveying institution
- ✓ Any other relevant documentation, such as current financial membership of any relevant institution/s that you would like to have published in the Register (optional).

6. COMPLIANCE WITH LEGISLATION

The Tasmanian legislation website <https://www.legislation.tas.gov.au/> has links to relevant Acts and Regulations. Of particular relevance for cadastral survey practice in Tasmania is familiarity with the *Surveyors Regulations 2014* and the Survey Directions, Tasmania <https://nre.tas.gov.au/land-tasmania/geospatial-infrastructure-surveying/directions-and-circulars/survey-directions> pursuant to the *Surveyors Act 2002*.

Surveyors undertaking land surveys in Tasmania should be familiar with additional legislation governing land development processes in the State, including but not limited to:

Surveyors Act 2002

Survey Co-ordination Act 1944

Local Government (Building and Miscellaneous Provisions) Act 1993

Land Use Planning and Approvals Act 1993

Land Titles Act 1980

Strata Titles Act 1988

Highways Act 1951

Roads and Jetties Act 1935.

Land surveyors should also be familiar with directions and circulars available on the internet from the Surveyor-General www.nre.tas.gov.au/survey and the Recorder of Titles www.nre.tas.gov.au/titles.

Land surveyors are required to attest to their eligibility for registration through self-certification of competence to carry out land surveying in Tasmania in accordance with all statutory requirements. Surveyors should be aware that this certification is subject to verification through the Land Titles Office plan examination and Office of the Surveyor General audit processes, and that the penalty under section 11 of the Act for false and misleading statements in an application for registration is up to 40 penalty units.

PERSONAL INFORMATION PROTECTION STATEMENT

Personal information collected from you for the purpose of registration will be used to determine whether you will be granted registration as a surveyor and for statistical, research, planning and reporting activities.

The collection of this information is authorised by the *Surveyors Act 2002* and in accordance with Section 8B(4) of the Act will be made readily available to the public and to other public sector bodies upon request. The Surveyor-General maintains a register of all surveyors registered under this Act. Various details are placed in the Register which is publicly available on the internet at www.nre.tas.gov.au/land-tasmania/geospatial-infrastructure-surveying/register-of-tasmanian-surveyors

Personal information will be managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by the individual to whom it relates on request to the Department of Natural Resources and Environment Tasmania.
