

POLICY MANUAL AMENDED

Tasracing has approved the following amendment to the Dress Code Policy:

During the period from 1 December to 31 March (inclusive) for day and twilight meetings - white instead of black shirts and blouses and outer garments, referred to in clauses 2.1.2 and 2.1.3, must be worn.

This amendment is effective from 1 February 2017 to provide participants with the opportunity and sufficient time to make arrangements to obtain the appropriate clothing.

As from 1 February 2017 the wearing of white shirts, blouses and outer garments at day and twilight meetings is compulsory through to 31 March 2017.

The NWGRC has secured white polo tops for purchase by participants, with an option to place an order for white jackets.
