Subject: Closure of Styx Road
Date: Tuesday, 14 July 2020 3:35:28 PM
Attachments: [20200318_TN052K_Location_Map.PDF](#)

Hi Brendan

A plantation thinning operation at TN052K on Styx Road is scheduled to commence in early August, and for safety reasons, we would like to close the road for a period of approximately 5 weeks while the harvesting is being done. We have proposed to place signs at either end of Styx Road, informing travellers that the road will be closed and stating an approximate distance from the location of the sign to where the closure will be. I have attached a map showing the location of the coupe to be harvested.

Please let me know if you need any further information regarding this operation. I will be in touch closer to the anticipated commencement date to keep you informed of when the operation is due to start.

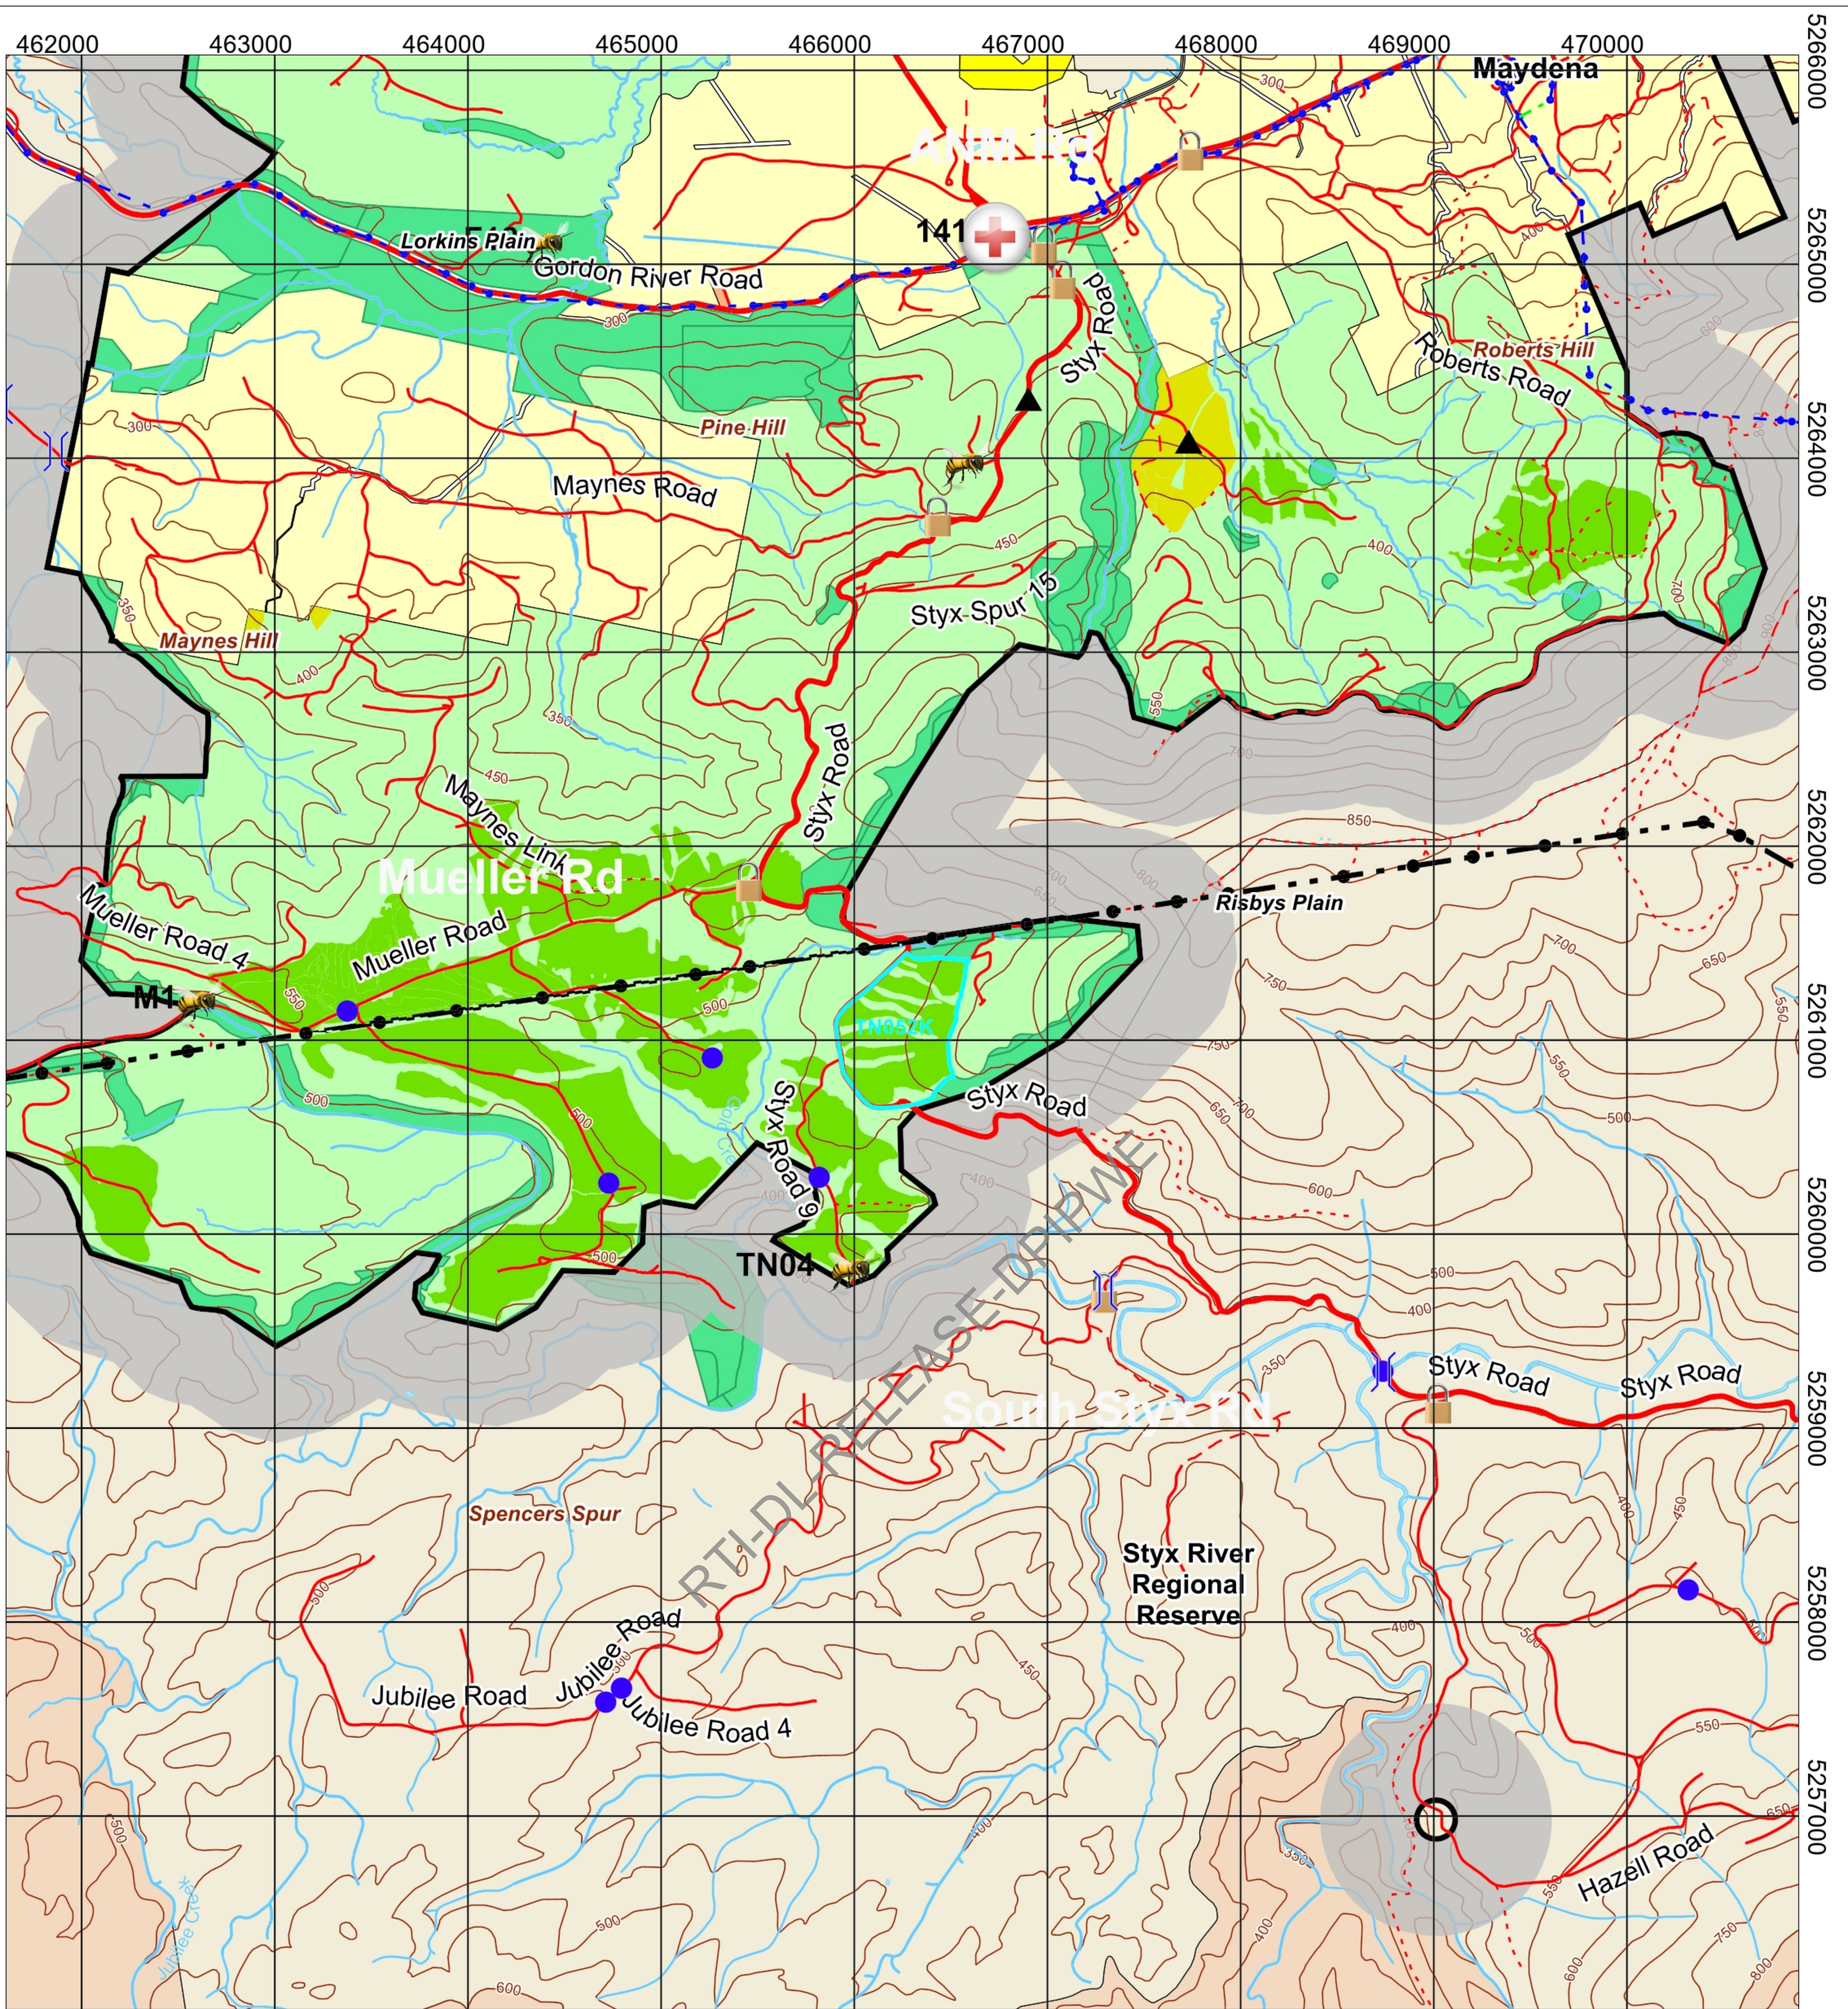

Kind regards
