SDN-1 Regulations  
Agriculture and Water Division  
GPO Box 44  
Hobart, TAS 7001

**Submission in regard to Draft Biosecurity (SDN-1 Modified Organism)  
Regulations 2020**

As a certified organic producer and a member of the organic industry we wish to indicate our support for the proposed regulation of SDN-1 Modified Organisms in Tasmania.

It is important that our customers and clients can be assured that our certified organic products are free of genetically modified organisms or the products of genetically modified organisms.

We wish to commend the government for taking the action to address this issue.
