

BIOSECURITY OPERATIONS BRANCH

IMPORTATION OF LIVESTOCK INTO TASMANIA

Application for exemption from requirements of the **Weed Management Regulations 2000**

To:
Biosecurity Operations Branch
Department of Primary Industries, Parks, Water and Environment
Stoney Rise Government Centre, Rundle Road, Devonport,
TAS 7310

Biosecurity Operations Branch,
DPIPWE, PO Box 303, Devonport, TAS 7310
Tel: (03) 6478 4110
E-mail: noi.biosecurity@dPIPWE.tas.gov.au

I request that a shearing or treatment exemption be granted in respect to the following animals:

(NOTE: If hair or wool length is less than 25mm, an exemption is not required)

Description of Consignment:

| | |
|--|--|
| Species: | Number of animals in consignment: |
| Intended date of Arrival: | Gender: |
| Vessel / Flight Number: | Port of Arrival: |
| Property animals consigned to: | Agent Transporting Animals: |
| Clearing Agents: | Unit Number / Registration of Transport Vehicle(s): |
| Contact Name (please print): | Telephone number: |
| Property/Area/State animals sourced from: | Return fax or email contact details: |

In applying for this exemption, I (Name) fully understand and confirm that all animals detailed above to be imported into Tasmania are clean and free from any grass, seed and plant material contamination, in the event that contamination is detected on arrival in Tasmania by inspectors the animals will be directed for shearing or treatment to remove the risk material.

I declare the information provided on this form to be true and correct in every respect to the best of my knowledge.

Signed **Date**.....

APPROVED / NOT APPROVED

.....
for Secretary, Dep't of Primary Industries, Parks, Water and Environment

Where possible, application should be made at least 5 working days before arrival of animals. Animals will be examined by Biosecurity inspectors on arrival into Tasmania and charges will apply.
