**General:**

Stewards spoke to Trainer Mr E Medhurst after it was ascertain that his greyhound Sacred Stance had left the kennel area for a short time after being weighed on the scales and the weight variation alternating between 1.0 kgs and 1.1kgs. The Chairman of Stewards directed Mr Medhurst back to the kennel facility. There was no evidence of the greyhound emptying out and the greyhound was reweighed with the weight of Sacred Stance still alternating between 1.0 kgs and 1.1 kilograms. As per the normal kennelling procedures, as the greyhound's weight was alternating between the two weights, Stewards declared the greyhound to be within the required weight range and deemed that the greyhound was eligible to start.
