Stewards questioned trainer M Laugher over the apparent improved performance of the mare, which has been unplaced at all 8 starts leading up to this event and resuming after being stood down at its most recent race start in late May 2024. Trainer Laugher explained he had expected a good showing tonight based on its good recent trial and improvement to its work through a change of methods. Trainer Laugher further stated that although the form does not read well on paper, he felt KIWI TILLY had been performing well and racing without luck. Trainer Laugher further added that KIWI TILLY at this stage of its racing career is better suited to racing over the shorter mile or equivalent distances. The evidence was noted.

B K WINDERMERE NZ – Started the race at \$2.45 second favourite, having its first registered Australian race start, and first in over four(4) months. Although far from disgraced, beaten only 14 metres, B K WINDERMERE NZ did not run on as may have been expected. Subjected to a post-race Veterinary Inspection which revealed no obvious abnormalities. Trainer S Lukac, when queried on the performance stated he was not overly disappointed with the performance, all things considered, and felt that the mare would benefit greatly from the run. The evidence was noted.

NAPATTACK SAM – Started the race at \$1.40 favourite, led the one-out line throughout, racing rough at times. Subjected to a post-race Veterinary inspection, on inspection Dr O'Brien found NAPATTACK SAM to have a greasy heel condition on both front pasterns. On questioning, trainer M Reggett expressed his disappointment with the performance and will review its racing schedule, potentially increase time between starts.
