Slick Steel underwent a post-race veterinary examination, no injury could be detected. Stewards spoke to trainer representative Kyarna Franks regarding Slick Steel's race manners in the home straight. After viewing the official replays, Stewards were of the opinion that Slick Steel had breached GAR124 in turning its head outwards, and in doing do, the greyhound failed to pursue the lure. Acting under the provisions of GAR127(a), Slick Steel has been stood down from racing for a period of 28 days at Hobart only, and until the completion of a satisfactory trial.
